MottoSleep Power Foundation Warranty

MottoSleep Power Foundations have a 3-year limited warranty on the power foundation, electronics and motor system. The power foundation, electronics and motor system are warranted against defects in workmanship or material for a period of three years from date of retail purchase. Any part found to be defective will be replaced or repaired at no cost to the original purchaser.

TERMS AND CONDITIONS: The warranty does not apply (a) to any damage caused by the purchaser, (b) if there has been any modification to the adjustable bed base or motor system, (c) if the recommended weight restrictions are not followed (650lbs this includes the mattress), (d) if the foundation is damaged during move from original delivery location, the warranty will be voided. This limited warranty does not include reimbursement for any inconvenience, removal, installation, set up time or loss of use.
