Important Mattress Information: Your Emerald Sleep Systems or Cool Jewel mattress has been constructed with the finest materials to give you the utmost in comfort and support. Mattresses are designed to conform to your unique contour. Initially, sleeping in one position may result in "body impressions" on the surface of the mattress. This is not a structural defect, but merely the localized compacting of the conforming comfort materials.

In the event the exact item is no longer available, the replacement will be an item of comparable value. Buyer must work with the Retailer in its verification of the warranty claim.

If Buyer has a bona fide warranty claim and the Retailer is no longer in business, Buyer may directly contact Emerald Home at emeraldhome.com/consumer . If Emerald Home determines that the defective product or part is covered by this limited warranty, Emerald Home will act as the Retailer would under this warranty. If Buyer provides all necessary
